

## Beacon Connect Just Got Better!

We've introduced new functionality and an updated navigation to help you stay connected and save time. You can now access Beacon Connect seamlessly from your computer, tablet, or mobile phone—making it easier than ever to stay on top of your operations wherever you are.

## What's New?

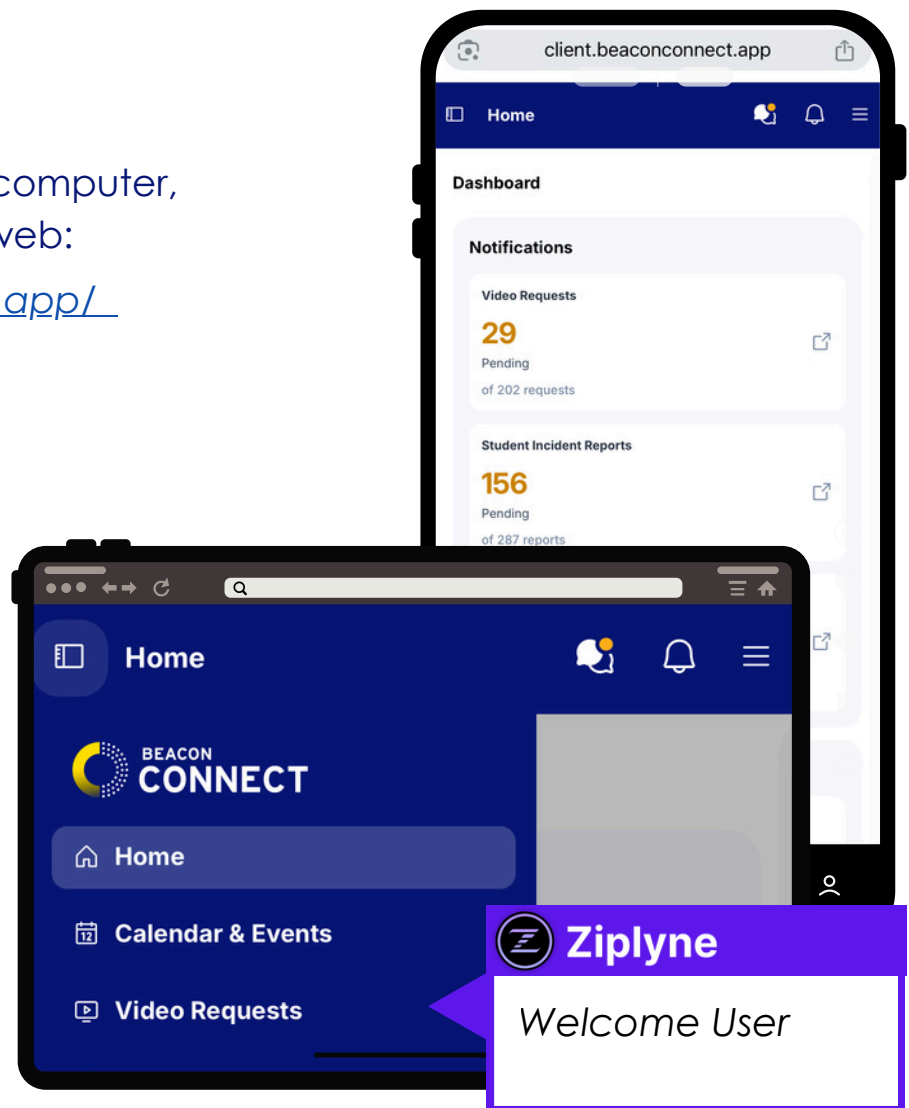

- Updated Navigation
- Access Beacon Connect via computer, tablet and mobile phone by web:

<https://client.beaconconnect.app/>

## Coming Soon

Ziptyne is a digital guide that will help you navigate Beacon Connect. Simply click on the Ziptyne icon and search for your question.

- Discover Tips & Tricks
- Get Guided In-App Help
- Complete Tasks with On-Screen Prompts

*A few release issues occurred but have since been resolved.*
